

Hi,

Now that the weather is warming, it's the perfect time to get outside at night and enjoy twinkling stars in a magical setting. This Spring, two hotels in spectacular locations – [Little River Inn](#) on the Northern California Coast and [Hotel Boulderado](#) at the base of the foothills of the Rocky Mountains – have packages that allow guests to take advantage of the West's crystal-clear skies in comfort and luxury.

As one meanders north in California, the stars get brighter and the skies get clearer. [Little River Inn](#), a full-service family-owned resort overlooking the Pacific Ocean on the breathtaking Mendocino Coast, has a package that takes maximum advantage of this phenomenon and allows the whole family to enjoy the heavens together.

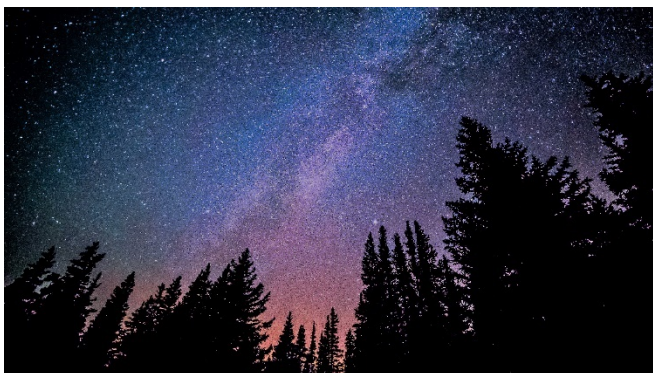

**The [Stargazing Family Fun](#) package includes:**

- Two nights lodging at the historic and beautiful resort in a Traditional Ocean View Room with two queen beds
- A Little River Inn travel blanket to keep
- Loan of their custom stargazing kit with special binoculars, star map, star guide and flashlight
- Hot chocolate to enjoy while stargazing one night
- Detailed information on stargazing in the area

The Stargazing Family Package for four begins at \$430, exclusive of tax and gratuity. More luxurious rooms are available for an additional price. Call (707) 937-5942 or (888) INNLOVE to book, or visit <https://www.littleriverinn.com/little-river-inn-stargazing-family-fun-package/>. This experience must be booked at least five days in advance.

***Stargazing in Boulder, Colorado***

[Hotel Boulderado](#), in the heart of the charming town of Boulder, Colorado, has a package that puts the glittering show of the skies above the Rockies on full display for guests. The Clear Colorado Skies package allows guests to take in the crisp, clean Boulder air while gazing up at the stars in perfect comfort.

### **The Clear Colorado Skies package features:**

- Two nights of deluxe accommodations
- Breakfast for two each morning
- Private transportation for two to and from Flagstaff Mountain
- A luxurious Boulderado picnic package that includes a cozy Boulderado plush fleece blanket for keeping warm, a picnic blanket, and a gourmet picnic basket with a charcuterie platter, a bottle of wine, wine glasses and a selection of sweet bites

The Clear Colorado Skies package is \$375 per person based on double occupancy, add \$25 for each child aged five to fifteen. Children under five are free. The package is available between May 1 and August 31. Call (303) 442-4344 to book, or visit <https://www.boulderado.com/hotel/#packages>.

High-res images of both properties are available upon request, as are “stargazing” images.

Thanks so much for your consideration!
